ASSEMBLY PRECAUTIONS

1. Assemble only according to these instructions. Improper assembly can create hazards.
2. Wear ANSI-approved safety goggles and work gloves during assembly.
3. Keep the assembly area clean and well-lit.
4. Keep bystanders out of the area during assembly.
5. Do not assemble when tired or under the influence of alcohol, drugs or medication.
6. The product capabilities apply to properly and completely assembled products only.
7. Assemble on a flat, level, hard and smooth surface capable of safely supporting the Projection Screen.
8. For additional information regarding the parts listed in the following pages, please refer to the Assembly Diagram of this manual. Unwrap and separate all parts in a clean work area.
9. The warranty will only be valid if you follow the instructions below carefully! Improper use and care may cause serious injury and/or damage!
10. Make sure the surface you have chosen for installing the screen is flat and secure.. Please read the following as any damage to the screen surface will impact the image's quality:

A. Do not touch the screen surface by hand.
B. Do not write or draw on the screen surface.
C. Do not poke the screen surface with finger or edge tools as it may cause scratches or tears.

11. Retract the screen after every use.
12. Do not pull two sides of the screen fabric by hands, do not fold the screen fabric.

13. To prevent unnecessary damage, the operation and maintenance of the screen should be done by adult.

Ignoring the safety warnings may lead to injuries or damaging the product.

Retract the screen after every use.Leave it hanging for along period may cause screen fabric loose.

Avoid hanging anything on the screen as it may cause the screen to fall down.

The screen should be installed at secure place to avoid any accidents or the screen falling down

Loose parts may cause the screen fall down.

USE PRECAUTIONS

TO PREVENT SERIOUS INJURY AND DEATH FROM TIPPING:

1. DO NOT SIT OR STAND ON THIS ITEM.

2. This product is not a toy. Do not allow children to play with or near this item.
3. Use only on a flat, level, hard and smooth surface capable of safely supporting a fully loaded Projection Screen.
4. Use as intended only.
5. Inspect before every use. Do not use if parts are loose or damaged.
6. Clear out an area to assemble the screen. Make sure the area is larger than the size of the screen.
7. Remember that the assembly will require at least two people for some steps.
8. Do not assemble in areas with a high temperature to avoid damaging the screen.
9. Read through this entire Assembly Guide before.

ASSEMBLY STEPS

STEP1

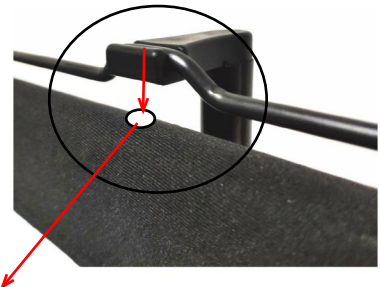
- assemble the top and bottom horizontal poles and slide the poles through the fabric screen pole pocket

STEP2

- use the plastic U-shaped clips to fix the fabric screen with the top and bottom poles on each end.

STEP3

- fix the metal hanging part on the top pole make sure it is in the middle position to keep balance, then hang on the top of the stand.



Tip: The white point on the black edge of the curtain is the center point of the curtain, and the metal suspension bends toward the white point of the curtain to ensure balance.

STEP4

- adjust the stand height and use the connector to fix the bottom pole on the stand.

Note: this product is suitable for dark environment for a better projection effect
