INSTALLATION STEPS

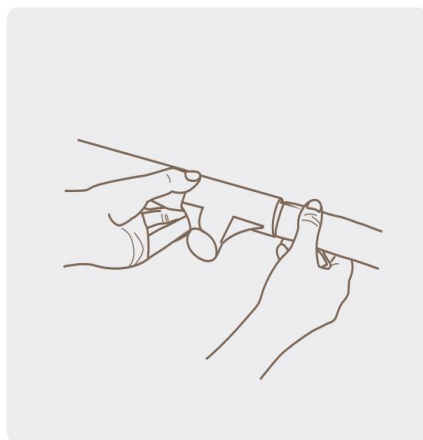

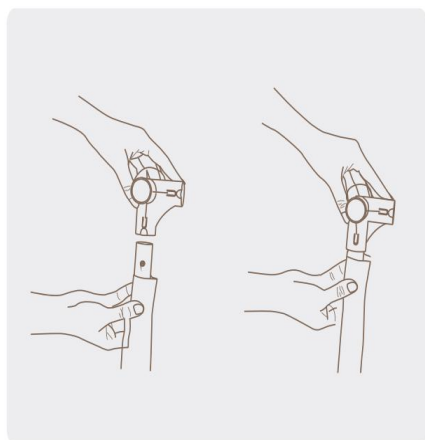

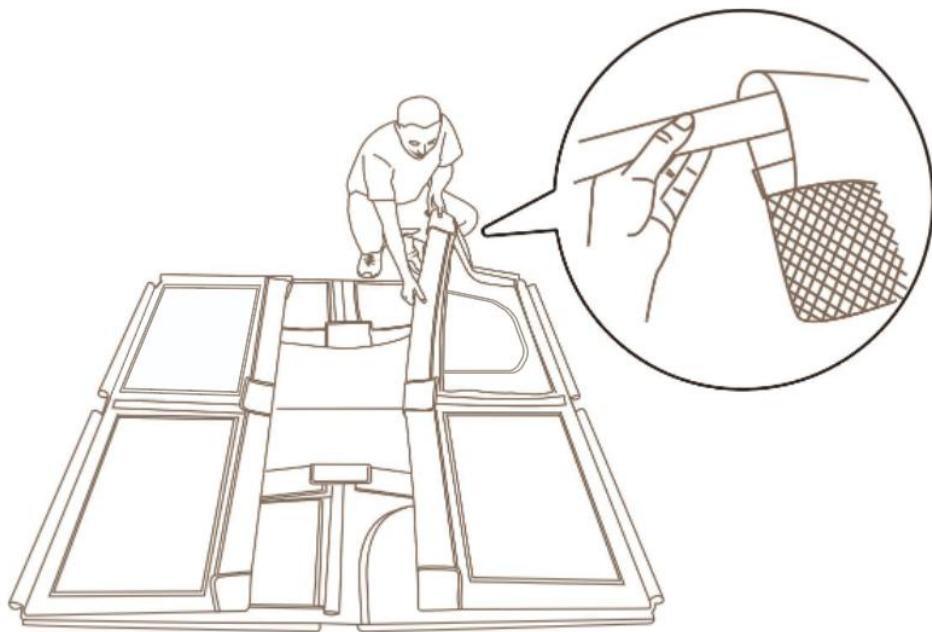

STEP 1

Spread the Baby Playpen, identify and confirm that the bottom surface and the four side mesh cloth, the bottom should be installed first.

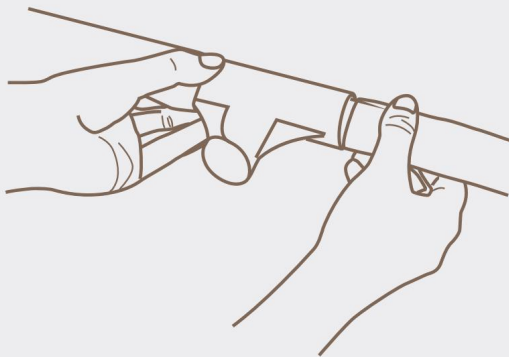

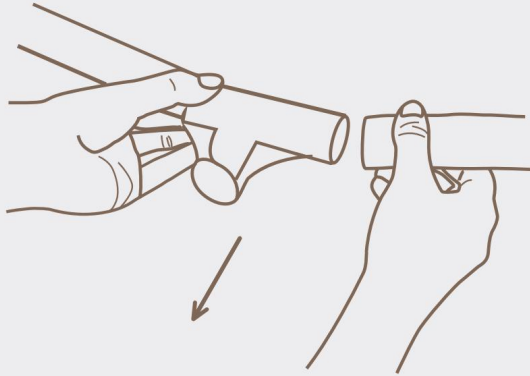

STEP 2

- 1) Take an A1 Rod, insert the fence pole into the corresponding pipe sleeve.
- 2) Insert the A1 Rod into the suction connector D2 and D4.
- 3) Gently press to the end to confirm it is securely attached.

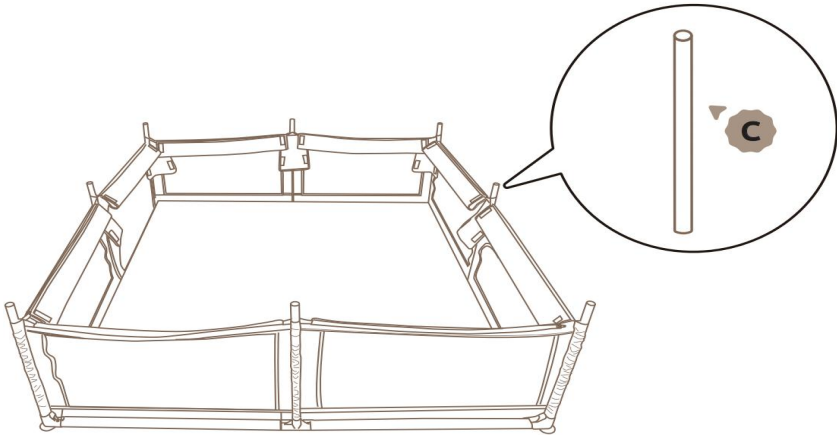

STEP 3

- 1) Install the other corner of the playpen following the method described in Step 2.
- 2) Then connect the ends of the two A1 rods using the T-joint.
- 3) When connecting the two pipes with a T-joint, you can first insert one pipe into the T-joint, and then use both hands to pull the two pipes toward your body. This will allow the other pipe to smoothly fit into the connector.

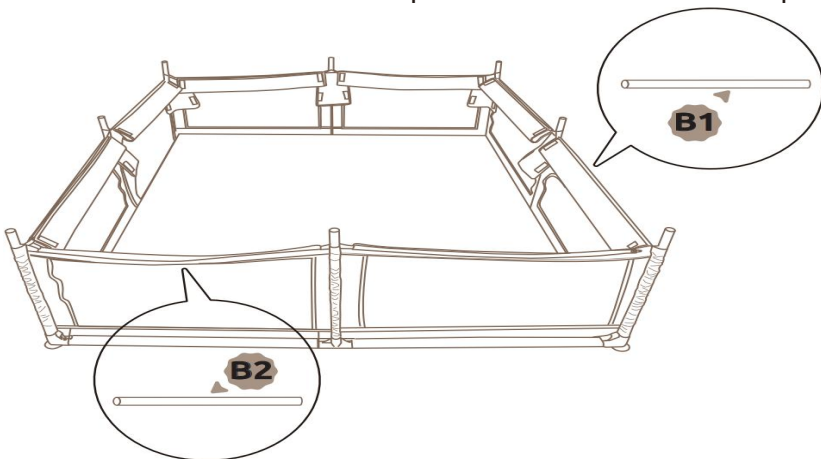

STEP 4

- 1) Take an C rod, insert the fence pole into the corresponding pipe sleeve.
 - 2) Insert C rod vertically into the T-joint.
 - 3) You have completed the installation of one side of the fence bottom.
- Next, follow the same steps to install the remaining sides.

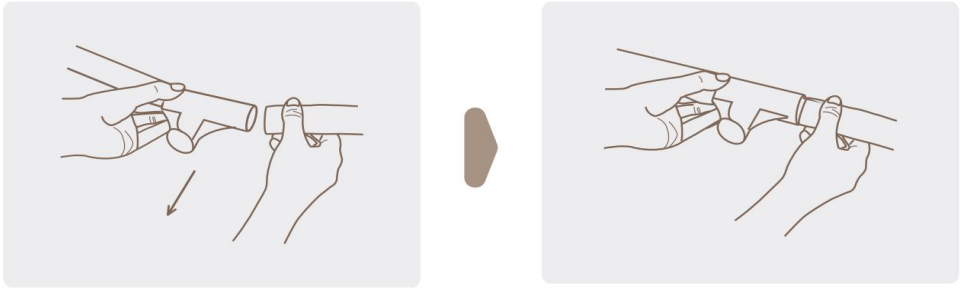

STEP 5

Unzip and open the fabric cover. You can install the top pipe fittings and connectors in the same way as the bottom, Please note that the connectors at the four corners are Top Corners without suction cups.

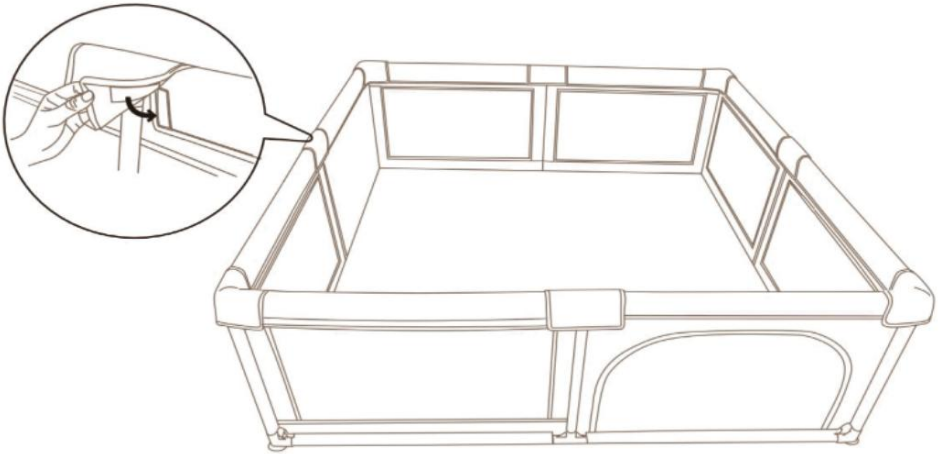

STEP 6

The plastic parts D3 are installed last, First, insert the iron pipe into the D3 connector, then use both hands to connect the two pipes together

STEP 7

Wrap sleeves around the rods and zip them up.

CLEANING AND MAINTENANCE

Washing Instructions:

- Wipe: Clean the surface with a damp cloth.
- Detach: Remove covers for heavy stains.
- Hand Wash: Gently scrub stained areas and air dry.
- Ventilate: Place in a well-ventilated area after washing.
- Do not dry clean.
