1

This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

SAFETY INSTRUCTIONS

WARNING:

Read this material before using this product. Failure to do so may result in serious injury.

CORRECT DISPOSAL

This product is subject to the provision of European Directive 2012/19/EU. The symbol showing a wheeled bin crossed through indicates that the product requires separate refuse collection in the European Union. This applies to the product and all accessories marked with this symbol. Products marked as such may not be discarded with normal domestic waste, but must be taken to a collection point for recycling electrical and electronic devices.

1. The product complies with relevant standards and regulations. Installation of this device must comply with all applicable regulations, and it should only be operated in well-ventilated areas. Please read the user manual before installing and using this equipment.
2. This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
3. Children shall not play with the appliance.
4. This appliance shall not be used by children. Keep the appliance and its cord out of reach of children.
5. This appliance is intended to be used in household and similar applications such as:
 - staff kitchen areas in shops, offices and other working environments;
 - farm houses;
 - by clients in hotels, motels and other residential type environments;
 - bed and breakfast type environments.
6. Please properly keep product. Check whether the product is abnormal before use. If it is abnormal, please stop using it.

7. Please use the product according to the intended use, warn of potential injury from misuse.
8. If the supply cord is damaged, it must be replaced by a special cord or assembly available from the manufacturer or its service agent.

Assembly precautions

1. Assemble only according to these instructions. Improper assembly may create hazards.
2. Wear ANSI-approved safety goggles and heavy-duty work gloves during assembly.
3. Keep the assembly area clean and well-lit.
4. Keep bystanders out of the area during assembly.
5. Do not assemble if tired or when under the influence of alcohol, drugs or medication.
6. The product capabilities apply to properly and completely assembled products only.
7. Assemble on a flat, level, hard and smooth surface capable of safely supporting the Overbed Tables.
8. For additional information regarding the parts listed in the following pages, please refer to the Assembly Diagram of this manual. Unwrap and separate all parts in a clean work area.

Use precautions

1. DO NOT SIT OR STAND ON THIS ITEM.
2. This product is not a toy. Do not allow children to play with or near this item.
3. Do not exceed specified weight capacities.
4. Use only on a flat, level, hard, and smooth surface that can safely support a fully loaded Overbed Tables.
5. Use as intended only.
6. Inspect before every use; do not use if parts are loose or damaged.

Completion.

Adjusting the height of the desktop: Adjust the table height up and down after loosening the handle screws counterclockwise, and tighten the handle clockwise after adjusting it in place.

Adjusting the width of the desktop: Adjust the table leg width up and down after loosening the handle screws counterclockwise, and tighten the handle clockwise after adjusting it in place.

PRODUCT PARAMETER

Model	GT-JS-0005-US	GT-JS-005-EU
Power outlet	JCD-2O/2U 125V~ 12A 60Hz 1500W USB: 5V 2.0A	JCD-EUPC-2O/2U 110-240V~ 50/60Hz 1500W USB: 5V 2.0A
Safe Loading Weight	30kg near columns 10kg at table edge	
Colour	Black	
Angle of Rotation	None°	
Product Size	1676*400*888mm (Before stretching) 2210*400*1016mm (After stretching)	

FCC INFORMATION

CAUTION: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment!

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- 1) This product may cause harmful interference.
- 2) This product must accept any interference received, including interference that may cause undesired operation.

WARNING: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a

residential installation. This unit generates, uses, and can radiate radio frequency energy and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for help.
