This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

## SAFETY INSTRUCTIONS

**WARNING:**

**Read this material before using this product. Failure to do so may result in serious injury.**

**PRECAUTIONS:**

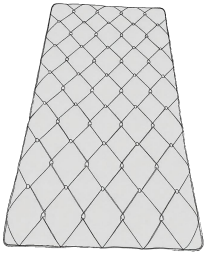

1. The product complies with relevant standards and regulations. Installation of this device must comply with all applicable regulations, and it should only be operated in well-ventilated areas. Please read the user manual before installing and using this equipment.
2. This product is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
3. Please use the product according to the intended use, warn of potential injury from misuse.
4. Use only on a flat, level, hard and smooth surface capable of safely supporting a fully loaded tatami mat.
5. Do not assemble if tired or when under the influence of alcohol, drugs or medication.
6. Inspect before every use. Please properly keep product. Check whether the product is abnormal before use. If it is abnormal, please stop using it.
7. Flammable: Keep away from open flame. This product will ignite and burn if brought into contact with an open flame.
8. Keep away from sharp points, blades and other items, so as not to scratch the product.
9. Avoid splashing the product with colored liquids, chemicals and oily substances.
10. Do not use strong stain remover (rosin, gasoline, diesel) to clean the product to avoid discoloration, hardening and aging of the product.
11. Do not place the tatami mat in a humid or hot environment.

12. Do not use sharp objects to scratch or puncture the surface of the product.
13. Do not wash the tatami mat in a washing machine, we recommend use a vacuum cleaner to clean the dust on the surface of the tatami mat,
14. After long-distance transportation, the tatami mat will inevitably form a temporary indentation, after opening the package, the bedding may be wrinkled, but this is not a defect. Unpack and decompress for at least 72 hours before fully restoring the product to its normal condition.
15. This product is intended to be used in household and similar applications such as:
    - Small apartment living spaces;
    - Guest rooms & home hotels;
    - Meditation & rest areas;
    - bed and breakfast type environments;

## HOW TO USE

1. Take the tatami out of the storage bag. During the process, move slowly and steadily to avoid damaging the tatami's corners or tearing the storage bag due to excessive force.
2. Lay the tatami mat flat on the floor.
3. Use the tatami once it has returned to its normal state.

**Note: Unpack and decompress for at least 72 hours before fully restoring the product to its normal condition.**

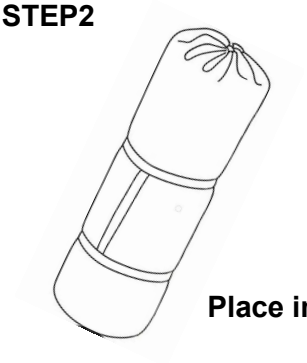

## HOW TO STORAGE

**STEP1**

**Roll up the Meditation mat**

**STEP2**

**Place in the storage bag and secure with the straps**

## MAINTENANCE METHOD

1. Pat the Meditation mat regularly to keep it fluffy.
2. You can use a vacuum cleaner to clean the dust on the surface of the tatami mat.
3. Air out in a cool, dry place every 2 weeks.
