MODEL: 121082/121083/121084

This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

SAFETY INSTRUCTIONS

WARNING:

Read this material before using this product. Failure to do so can result in serious injury.

Assembly precautions

1. Assemble only according to these instructions. Improper assembly can create hazards.
2. Wear ANSI-approved safety goggles and heavy-duty work gloves during assembly.
3. Keep the assembly area clean and well-lit.
4. Keep bystanders out of the area during assembly.
5. Do not assemble if tired or when under the influence of alcohol, drugs or medication.
6. The product capabilities apply to properly and completely assembled products only.
7. Assemble on a flat, level, hard and smooth surface capable of safely supporting the Bubble Tent.
8. For additional information regarding the parts listed in the following pages, please refer to the Assembly Diagram of this manual. Unwrap and separate all parts in a clean work area.

Use precautions

1. DO NOT SIT OR STAND ON THIS ITEM.
2. This product is not a toy. Do not allow children to play with or near this item.
3. Do not exceed specified weight capacities.
4. Use as intended only.
5. Inspect before every use; do not use if parts are loose or damaged.

	
WearGloves	we recommend 2 people for a smoother assembly

Friendly Reminder

What if one side of the tent is found twisted or uneven after being set up?

Method 1: Hold the steel wires at both ends of the uneven part with both hands and twist the steel wires back and forth to adjust it to be smooth.

Method 2: Follow the tent folding method to fold it into a flat surface, with 8 steel wires smoothly overlapping, and then unfold it.

The product complies with relevant standards and regulations.

Installation of this device must comply with all applicable regulations, and it should only be operated in well-ventilated areas. Please read the user manual before installing and using this equipment.

PARTS LIST

 tent *1	 ground mat *1	 sunshade cover *1
 fiberglass rod *2	 tent shake *8	

ASSEMBLY STEP

Setup Instructions

1

Assemble the two poles.

2

Undo the strap buckle that secures the tent.

3

Unfold the tent.

Note: The tent contains highly elastic steel wires. Be careful when opening it to prevent injury from the sudden spring - back.

4

Top View

Pull open the black - edged frame to set up the tent.

5

If it is difficult for the tent to take a stable shape, you can enter from the bottom of the tent, spread out the tent from the inside, and adjust the shape of the tent at the same time.

6

Insert both ends of 2 poles into the diagonal cloth sleeves respectively, fasten the magic tape to fix the fiber poles, then move the poles to the highest point and fix them with binding straps.

※A chair can be used for assistance in the setup.

7

Lay the mat flat inside the tent and fasten it to the four corners of the tent with plastic buckles.

8

Use ground stakes to fix the four corners of the tent and the wind ropes to the ground.

9

Put the sunshade over the top of the tent, and hook the black hooks onto the white wind rope loops at the top of the tent.

PACKING INSTRUCTIONS

Storage Instructions

1

Lay the tent down flat.

Press the black frame to overlap with the opposite side, align the top and bottom surfaces to form a flat plane.

Pull out the transparent top and smooth it out.

2

Hold corner A of the tent bottom and press it downward toward corner C of the top.

3

While pressing down, pull corner A backward in the direction of the arrow.

Position it slightly behind corner C (closer to the area near the legs).

4

Press down until corner A fully touches the ground. At this point corners B and D will naturally up and move toward the middle.

5

Press corner B downward toward corner D.
At this point it will be positioned below corner D.

6

Press down corner D as well, and fold the tent into three overlapping circles.

7

Fold the transparent part at the top over the circle.
Secure the folded tent with the buckle of the strap.

8

Pack the tent and other accessories into the storage bag together.
