CARE INSTRUCTIONS

When not in use, storing it in a covered area or using a protective cover can help protect it from the elements.

Adhere to these suggestions at the beginning of each season and during the intervals of the designated periods within the season:

1. Check all nuts and bolts for tightness and tighten when required;
2. Check all coverings for bolts and sharp edges and replace them when required.
3. Replace defective parts in accordance with the manufacturer's instructions.
