F	Seat board set		**1**				

DIMENSIONAL PARAMETERS

Unit:(mm/in)			
D	W	H	D1
540(21.3)	740-790 (29.1-31.1)	470(18.5)	520(20.5)
D2	W2	W3	H1
330(13)	410(16.1)	490(19.3)	65(2.6)

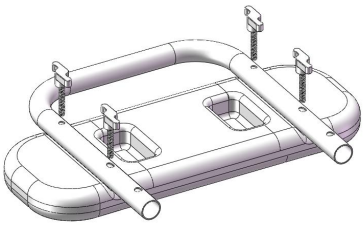

※There may be a ±20mm error in the measurement of some dimensions, which is normal and not a product quality issue.

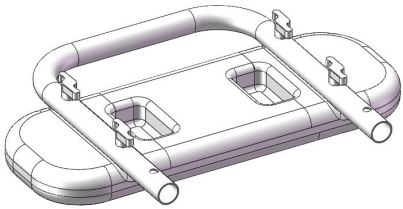

PAREMETERS

Model	FBL650506
Main Materials	Aluminum
Rotation Angle	360°
Seat Rated Load	100kg/220lbs

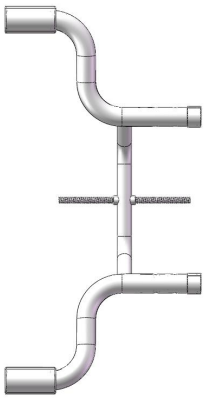

INSTALL INSTRUCTIONS

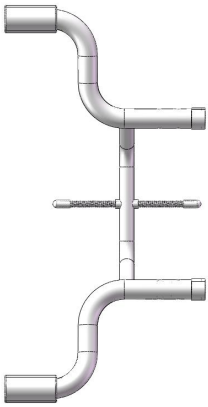

Step1.Put the backrest tube (#G) into the groove of the backrest (#C), align it with the hole positions, and lock it tightly using 4 Straight knobs (#H).

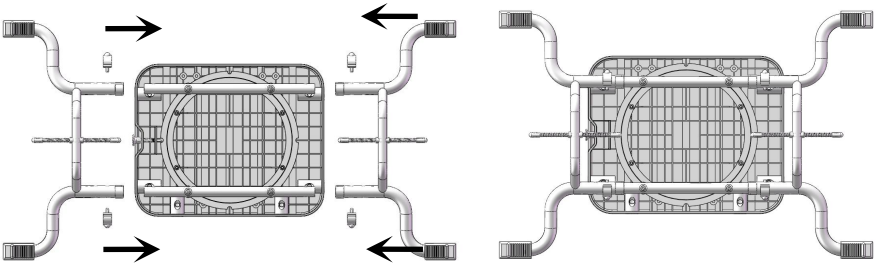

Step2.Screw the bolts (#I) into the nuts of the bracket, then fit the bolt head sleeves (#J) over both ends of the bolts.

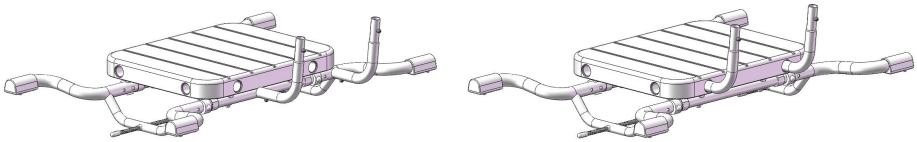

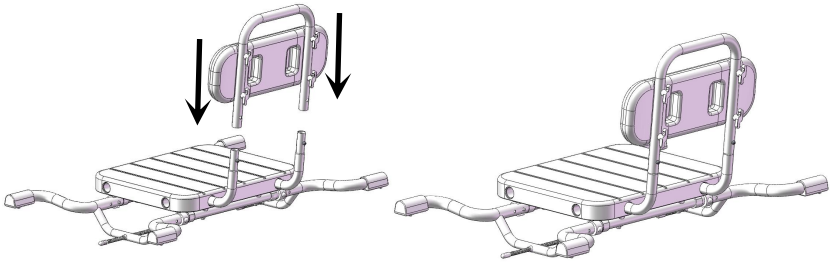

Step3.Insert the two brackets(#B) into the seat board set(#F) in sequence, align them with the hole positions, and lock them in sequence with four C-shaped clips (with two adjustable widths).

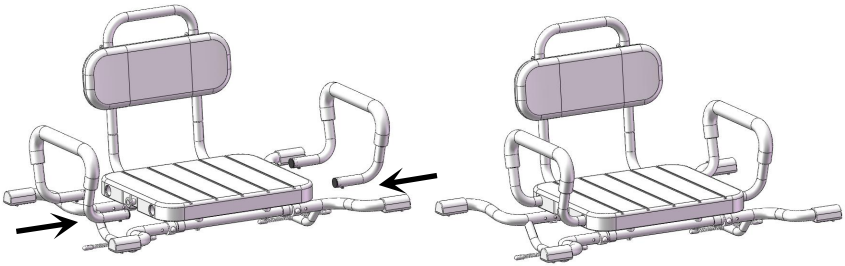

Step4.Load the two Backrestconnection tubes(#D) into the seat board in sequence.

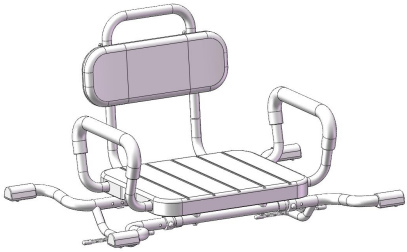

Step5.Align the backrest(#C) with the hole position and install it into the backrest connection tubes.

Step6.Insert the left and right armrests(#A) into the seat board.

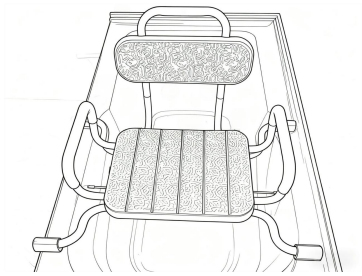

Step7.Finish.

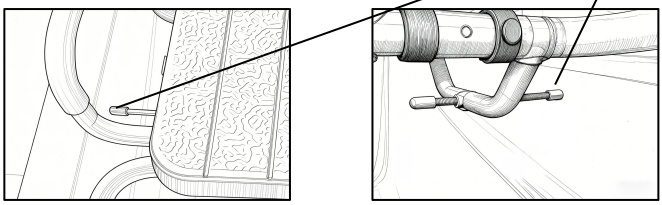

USE INSTRUCTIONS

1.Set up

The screws on both sides are tightly pressed against the inner wall of the bathtub.

Place the product on the bathtub, twist the screw on the bracket to press against the bathtub, and fix the product on the bathtub.

2.Swivel the Seat.

After the product assembly is completed, a pull rod can be seen below the left side of the seat plate. When pulling the pull rod, the direction of the seat plate can be adjusted by rotation. After releasing the pull rod, the seat plate will rotate in one direction and fix its direction by itself.

USING WARNING:

(1) Put the shower bench stably on a flat floor.

(2) Before use, please make sure that the screw has been tightened and the ball pin of the legs has been ejected from the slot.

(3) Before use, adjust the shower bench to an appropriate height so that when the two legs are supported in the bathtub, the seat is smooth.

(4) Check the stability of the shower bench before using it every time. Stop using it if the legs are shaking or the shower bench is unstable.

(5) Avoid the overload.

(6) The shower bench should not be used to push the user while seated.

(7) Shower bench must be used ONLY for taking a shower inside bathroom, not for any other purposes.

(8) Adjust the shower bench legs to a suitable height so that the user's feet from toes to heels comfortably touch the floor when sitting on it.

(9) Stay away from open flames.

(10) Periodically check whether screws have been tightened.

(11) Ensure that rubber tips at the bottom of the shower bench’s legs are not worn out. If not, replace them immediately.

(12) Please read carefully before use and do not tear off the label.

MAINTENANCE

- Wash with clean or mild soapy water and air dry after use.
- When not in use, please store in a cool and dry place
- Check the shower bench regularly.

STORAGE CONDITIONS

* The product should be stored completely dry, in a clean and dry place to avoid the risks of mold.
