This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

Warning-To reduce the risk of injury, user must read instructions manual carefully.

SAFETY INSTRUCTIONS

Read and follow the safety instructions to avoid hazards when using the product. Keep these instructions in a safe place. If the product is passed on to third parties, the safety instructions must also be included.

WARNING:

1. **THIS PRODUCT MUST BE INSTALLED BY AN ADULT.** Keep children and pets away during installation.
2. **Do not** hang from the structure.
3. This product is intended for animals only, it is **FORBIDDEN** to lock children or people in it.
4. **Do not** use the Net if any item is damaged or missing.
5. **Incorrect** assembling or positioning of this product can be dangerous.
6. **Risk of Injury During Assembly and Disassembly.** The tips of the stakes can cause injuries if handled improperly- protect your eyes, hands, and feet. Wear safety shoes.
7. **Protect Wildlife:** Always remove unused nets to prevent wildlife from becoming entangled and strangled.
8. **Consider Animal Behavior:** Take individual animal behavior into account, including risks of chewing or jumping over the fence.

9. **Plastic Mesh Fence** are intended exclusively for enclosing animals; other uses are not permitted. If the nets are used for other purposes, safety instructions must still be followed. If this is not feasible, the fence net is not suitable for the intended purpose.

10. Perfect and useful for leaving chickens.

11. Warning-To reduce the risk of injury, user must read instructions manual carefully.

12. The product complies with relevant standards and regulations. Installation of this device must comply with all applicable regulations, and it should only be operated in well-ventilated areas. Please read the user manual before installing and using this equipment.

13. This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.

14. Children shall not play with the appliance.

15. Please properly keep product. Check whether the product is abnormal before use. If it is abnormal, please stop using it.

16. Please use the product according to the intended use, warn of potential injury from misuse.

17. Not suitable for environments with high humidity, explosive atmospheres, salt spray, acidic or alkaline conditions.
