Installation Procedure

Step 1: Install foot pads.

Step 2: Assemble the ladder as shown.

Step 3:

Place the ladder at a position of 120-150mm away from the pool wall. The bottom of the ladder is tightly attached to the bottom of the swimming pool. Using the hole saw, drill two holes through the deck boards as final desired position.

Step 4:Place the deck flange C around each handrail. On the deck side and insert the handrails through the holes in the deck until the ladder rests flat and level on the bottom of pool.

Step 5:Secure each deck flange to the deck with the screws.
