MODEL: SXYCWPD6*8 / SXYCWPD8*8 / SXYCWPS6*8

This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

Safety precautions

Warning-To reduce the risk of injury, user must read instructions manual carefully.

The product complies with relevant standards and regulations.

Installation of this device must comply with all applicable regulations, and it should only be operated in well-ventilated areas. Please read the user manual before installing and using this equipment.

Before Assembling

If the privacy screen will be used in a strong wind area, we highly recommend you using four Hex-Head Sleeve Anchors to fix the privacy screen on solid ground.

Before assembling, we recommend:

1. Wear Gloves.

It is recommended to use power tools for assembling the product.
