SAFETY

Note / Remark.

Caution / Warning.

Read the instruction manual.

Read this material before using this product. Failure to do so can result in serious injury. Save This Manual.

Assembly precautions

1.Assemble only according to these instructions. Improper assembly can create hazards.

2. Wear ANSI-approved safety goggles and heavy-duty work gloves during assembly.

3.Keep assembly area clean and well lit.

4.Keep bystanders out of the area during assembly.

5.Do not assemble when tired or when under the influence of alcohol, drugs or medication.

6.Weight capacity and other product capabilities apply to properly and completely assembled product only.

7.Assemble on a flat, level, hard and smooth surface capable of safely supporting a fully loaded Commercial Hand Basin.

Use precautions

TO PREVENT SERIOUS INJURY AND DEATH FROM TIPPING:

1. DO not sit, stand on this Hand Basin.
2. This product is not a toy. Do not allow children to play with or near this item.
3. Do not exceed weight capacities, evenly distributed from bottom up. Be aware of dynamic loading! Sudden load movement may briefly create excess load causing product failure. Do not exceed capacity of Commercial Hand Basin.
4. Empty Commercial Stand Alone Sink before moving.
5. Use only on a flat, level, hard and smooth surface capable of safely supporting a fully loaded Commercial Hand Basin.
6. Use as intended only.
7. Inspect before every use; do not use if parts are loose or damaged.

WARNING!

DO NOT let comfort or familiarity with product (gained from repeated use) replace strict adherence to the product safety rules. If you use this product unsafely or incorrectly, you can suffer serious personal injury.

Warm suggestions: because the installation is more complicated, please choose a professional with installation experience for installation

· This sink is designed for indoor household use only. Do not use outdoors or for commercial/industrial purposes.

· The sink surface may be slippery when wet. Use caution to avoid slipping or falling when in contact with the countertop.

· Sharp edges may exist. Handle with care during installation and use to prevent cuts or scratches.

· Do not place heavy, sharp, or hot objects violently on the sink surface. Avoid impact that may cause cracking or denting.

· Do not use abrasive cleaners, steel wool, scouring pads, or harsh chemicals (such as bleach, ammonia, hydrochloric acid). These may damage the surface and finish.

· Clean regularly with mild soap and warm water. Dry with a soft cloth to maintain appearance.

· Do not allow food waste, grease, oil, or foreign objects to enter the drain. This may cause clogging.

· Inspect the drain, sealant, and connections periodically for leaks. Repair or replace worn parts immediately.

· This product contains stainless steel parts intended for food contact. It complies with applicable regulations for food contact safety.

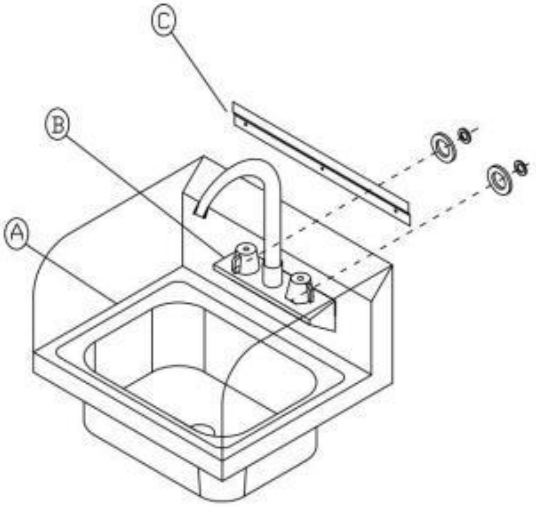

· Keep packaging materials (plastic bags, foam) away from children to avoid suffocation risk.

· This product is not a toy. Keep children away during installation and use.

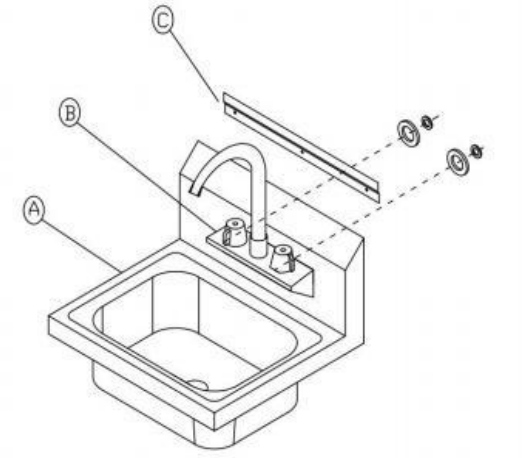

COMPLIANCE STATEMENT

· This product is manufactured in compliance with applicable safety standards and regulations for the European Union, United Kingdom, United States and Canada.This product is for indoor adult use only and is not a toy.
