13. For additional information regarding the parts listed in the following pages, please refer to the Assembly Diagram of this manual. Unwrap and separate all parts in a clean work area. Please keep small spare parts out of children's reach.

SAVE THESE INSTRUCTIONS

WARNING:

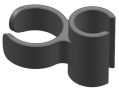

- Read the manual completely to avoid harm, product damage, or warranty avoidance. Seek professional help if you encounter discomfort, pain or worsening symptoms. If necessary, use supervision in order to assemble and use this product correctly and safely. Do not exceed the weight limit.
- Regularly check for secure assembly and contact support if in doubt. Ensure the product's legs are even and locked before use, and discontinue usage if there are signs of wear, damage, or missing parts. The product is to be used on flat, stable surfaces. Do not disassemble if not necessary, as it might compromise the longevity of the product. Do not modify the product unless specified in the manual.
- Exercise caution during operation and assembly. Avoid extreme temperatures or open flames. If an allergic reaction occurs, cease use immediately and consult a healthcare professional.
- Clean regularly using a mild detergent and warm water, rinse off any soap residue. After cleaning, dry thoroughly
- Not suitable for environments with high humidity, explosive atmospheres, salt spray, acidic or alkaline conditions.

IMPORTANT

1) Don't exceed the maximum weight capacity.
2) Only for use on bathtubs that are stable and have flat surfaces on both sides.
3) Regularly inspect for signs of wear, damage, or loose parts.
4) Before use, confirm with your healthcare provider that the product meets your specific needs. The following guidelines are not a substitute for medical advice.

PART LIST

When unpacking this product, check to make sure the parts listed below are included and carefully inspect for any damage that may have occurred during transit. If any part is missing or damaged, do not attempt to assemble or use the product.

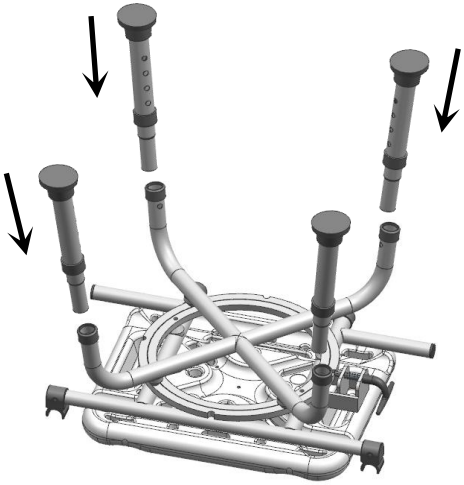

NO	PICTURE	PART NUMBER	QTY	NO	PICTURE	PART NUMBER	QTY
①		Seat frame	1	⑦		Armrest	2
②		Chair foot	4	⑧		Shower buckle	1
③		Backrest	1	⑨		Cushion	1
④		Knob screw	4	⑩		Back cushion	1
⑤		Shim	4	⑪		Manual	1
⑥		Backrest tube	2				

PAREMETERS

Model	FBL650326
Main Materials	Aluminum
Seat Rated Load	180kg/400lbs

INSTALL INSTRUCTIONS

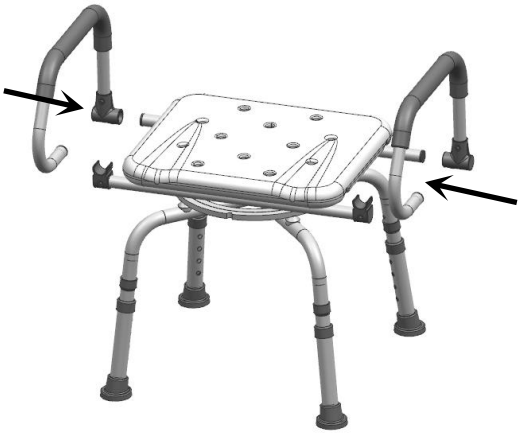

1..Invert the seat frame and place it on a flat surface, then insert the 4 chair foots ② into the tube mouth of the seat frame ① in sequence (ensuring that the marble on each chair leg pops out normally).

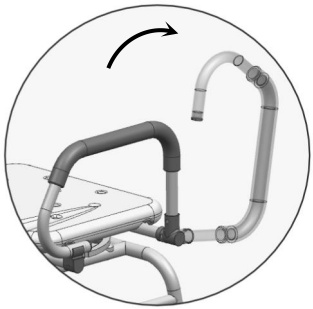

The chair legs are adjustable in four levels, and users can choose the appropriate seat height according to their height through the pinball hole on the chair legs.

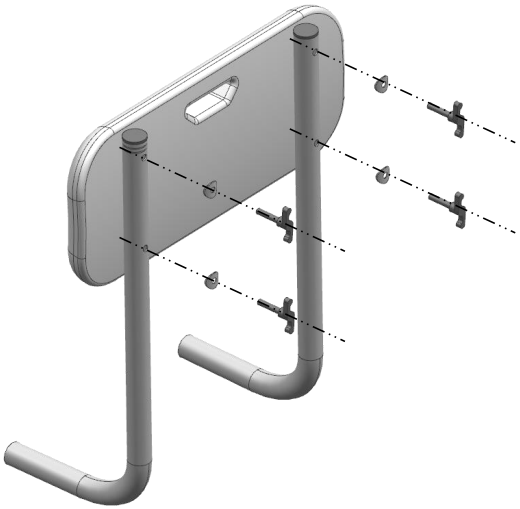

2.Place the seat frame with the assembled chair legs on a flat surface, and then insert the two armrests ⑦ from both sides of the seat frame (ensuring that the marble on each armrest pops out normally).

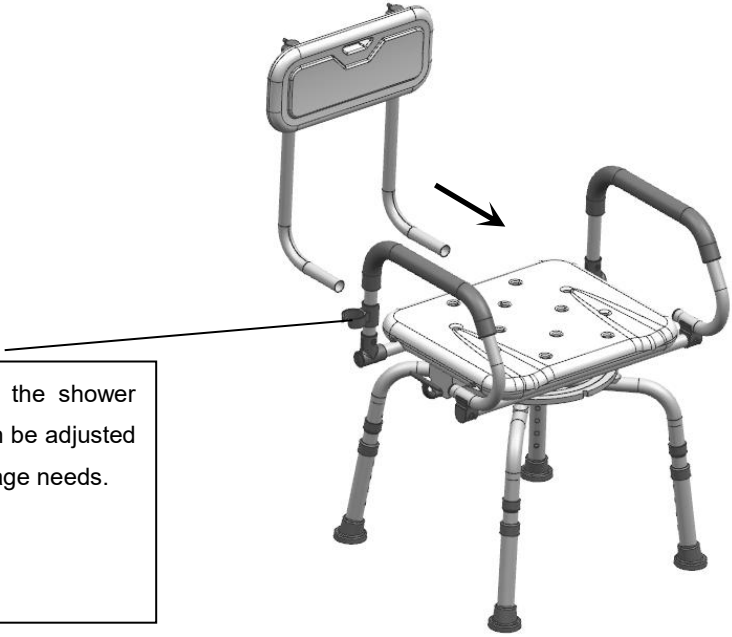

When the armrest is not needed, you can use force to pull it up and rotate it back in the direction of the arrow.

3.Align the holes of backrest ③ and backrest tube ⑥, and then lock them in sequence with four knob screws ④ and washers ⑤ .

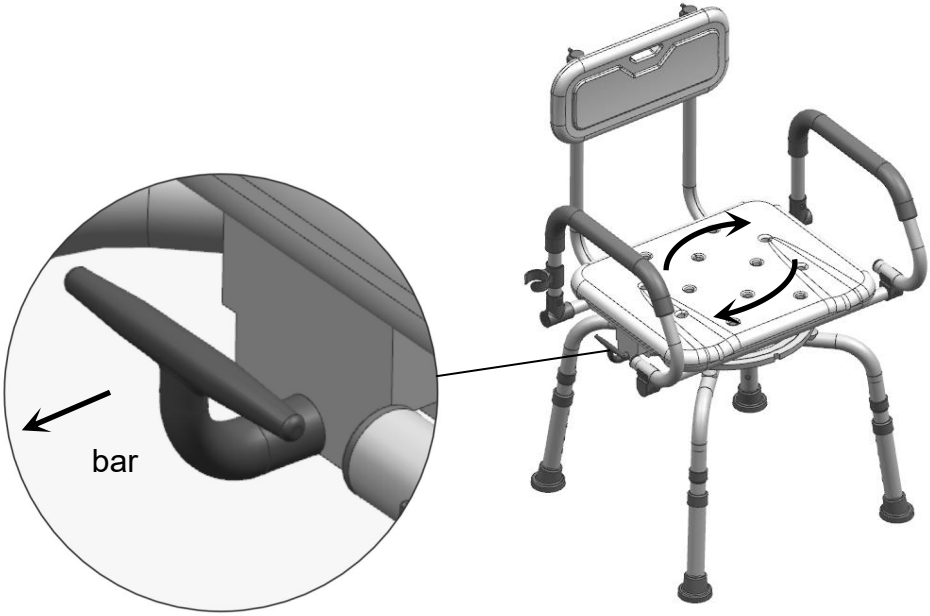

4.Insert the assembled backrest into the corresponding pipe opening of the main frame in the direction shown in the diagram (ensure that the marble of each backrest pipe pops out normally).

The position of the shower head buckle can be adjusted according to usage needs.

5. The assembled product is shown in the right figure. A pull rod can be seen below the right side of the seat plate. When the pull rod is pulled, the direction of the seat plate can be rotated and adjusted (seat cushion ⑨ and backrest cushion 10 can be freely pasted and used according to needs).

USE INSTRUCTIONS

USING WARNING:

(1) Put the shower bench stably on a flat floor.

(2) Before use, please make sure that the screw has been tightened and the ball pin of the legs has been ejected from the slot.

(3) Before use, adjust the shower bench to an appropriate height so that when the two legs are supported in the bathtub, the seat is smooth.

(4) Check the stability of the shower bench before using it every time. Stop using it if the legs are shaking or the shower bench is unstable.

(5) Avoid the overload.

(6) The shower bench should not be used to push the user while seated.

(7) Shower bench must be used ONLY for taking a shower inside bathroom, not for any other purposes.

(8) Adjust the shower bench legs to a suitable height so that the user's feet from toes to heels comfortably touch the floor when sitting on it.

(9) Stay away from open flames.

(10) Periodically check whether screws have been tightened.

(11) Ensure that rubber tips at the bottom of the shower bench’s legs are not worn out. If not, replace them immediately.

(12) Please read carefully before use and do not tear off the label.

MAINTENANCE

- Wash with clean or mild soapy water and air dry after use.
- When not in use, please store in a cool and dry place
- Check the shower bench regularly.

STORAGE CONDITIONS

* The fabric should be stored completely dry, in a clean and dry place to avoid the risks of mold.
