TOOL CHEST COMBO SAFETY INSTRUCTIONS

- Please operate and use the tool chest combo or accessories according to the instructions.
- When using the tool chest combo, pay attention to the safety warning labels.
- Please read the instructions carefully, check the maximum load capacity of the tool chest combo, and do not overload it.
- Sharp tools should be placed separately to avoid causing injury.
- When placing items in the tool chest combo, pay attention to the even distribution of the weight of the items to prevent the drawer or tray from deforming.
- Use anti-slip pads to prevent tools in the tool chest combo from sliding or scratching the panel.
- Keep the tool chest combo out of the reach of children.

SAVE THESE INSTRUCTION

TOOL CHEST COMBO OVERVIEW

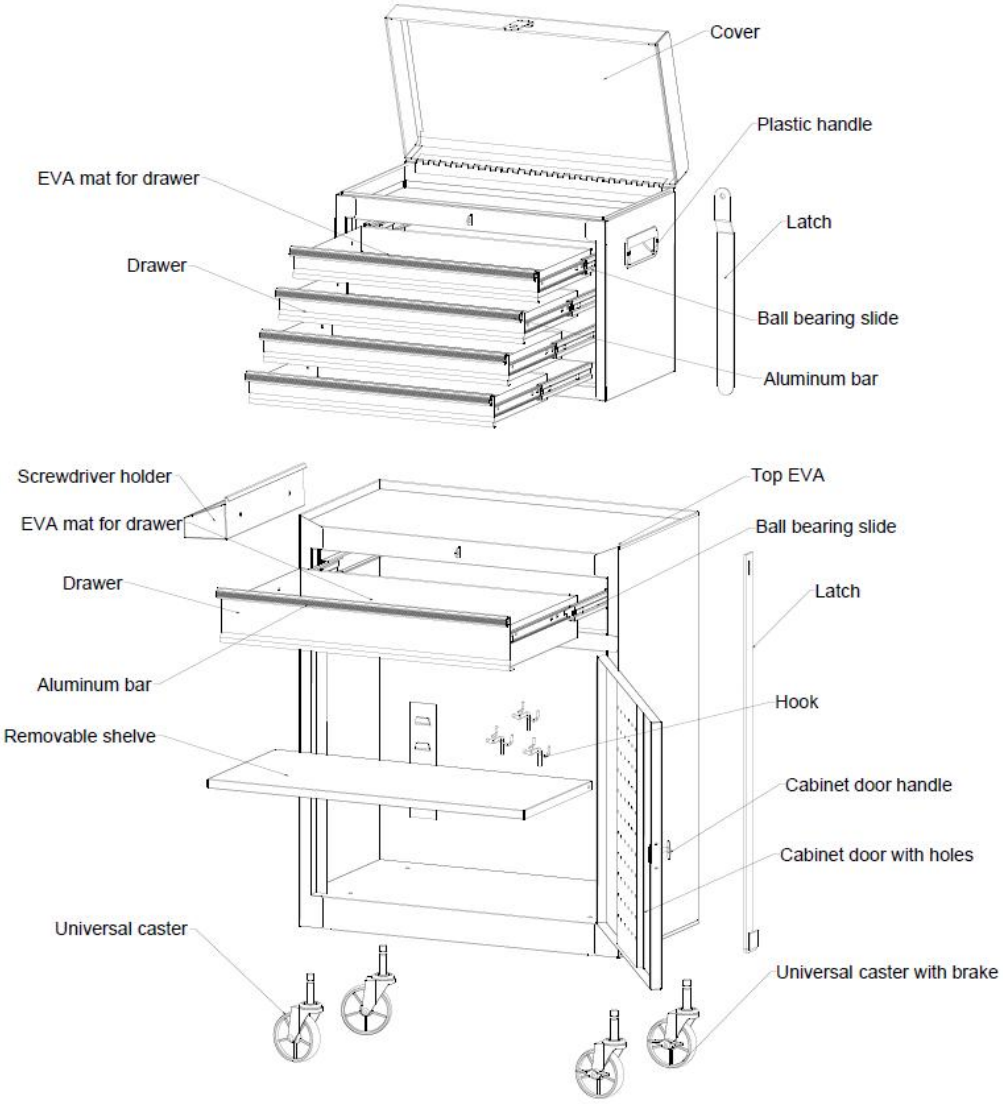

This tool chest combo allows you to store tools safely and improve work efficiency. It features smooth ball-bearing drawer slides and chemical-resistant powder coating. The smooth powder coating surface is waterproof and easy to clean. The combination has multiple drawers that can be opened to organize tools, and the top space of the upper box can be used to store daily items.

- The full extension ball bearing drawer slides stretch very smoothly.
- Multiple drawers can hold different kinds of tools.
- The chemical-resistant powder coating is waterproof, rust-proof and easy to scrub.
- All drawers are equipped with EVA non-slip drawer liners to reduce damage to tools and scratches to drawers.
  The tool chest combo is equipped with 3" casters, which are strong, durable, and have good bearing capacity, making it very smooth to move.
- Each tool chest combo is equipped with a side handle, which is easy to push.

TOOL CHEST COMBO MAINTENANCE INSTRUCTIONS

- Regularly check whether all parts of the tool chest combo are intact. If there is any damage or deformation, replace it in time.
- Minimize exposure to sunlight and rain to avoid damage or rust to the tool chest combo panels.
- Wipe the oil and dust on the tool chest combo regularly to keep the tool chest combo sale clean and dry.
- Apply lubricating oil to the metal moving parts on the tool chest combo to ensure that the tool chest combo can be used smoothly.
